Webinar 5: An Overview of AIRways

Date: January 19, 2017 3:45-4:45

Audience: All users, elementary or middle school teachers, district and school administrators

Description: This webinar will provide an overview of AIRways, a new reporting program developed by the American Institutes for Research (AIR) that complements the Online Reporting System for interim assessment data. Accessed with a TIDE username/password, this system gives teachers an opportunity to view student responses to test items, generate item-level data, and much more!
